

Epson PowerLite® 8300i

A mega-star that's easy to manage

Need power? Light up the auditorium and dazzle your audience with the Epson PowerLite 8300i. It offers 5200 ANSI lumens, XGA resolution, and a 1200:1 contrast ratio, as well as out-of-the-box networking capabilities. IS personnel will appreciate its EasyManagement™ technology for easy network monitoring and control, while presenters will enjoy its versatile feature set. This 24.7 lb installable includes monitor out capability, plus a preview function for easy switching between sources. Engineered to meet virtually any presentation requirement, the Epson PowerLite 8300i provides extraordinary video performance and QuickCorner™ image correction capability. With vertical and horizontal keystone correction, multiple inputs and a variety of lens options, it offers exceptional installation flexibility.

Ultra bright 5200 lumens, weighs only 24.7 lb

- Astonishing brightness that's great for large auditoriums
- Three XGA (1024 x 768) 1.4" EPSON high-aperture LCDs for evenly distributed color across the screen
- 1200:1 contrast ratio for blacker blacks and whiter whites

Easy installation, setup, and operation

- Power Zoom, Focus, and Lens Shift
 - Control these key image adjustments through the projector remote control
- Six video inputs and six audio outputs
 - Eliminates added complexity and the cost of switchers
- Great connectivity including two computer inputs, component video (5BNC), s-video, DVI, and composite video
- Multiple lens options for installation flexibility
- Keystone correction (45° vertical, 40° horizontal)
- QuickCorner™ to display a perfectly square image from almost anywhere in the room
- SnapWindows[™] to simultaneously preview up to seven input connections
 - Provides staging managers a simple means of checking connected sources
- Monitor out capability
- Low fan noise for undisturbed presentations
- Improved air filter to protect projector in smoky or dusty environments

State of the art video performance

- Extensive video compatibility including HDTV-ready
- Progressive processing circuitry for better video image quality

Convenient networking capability with EasyManagement technology

- Offers information on projector status via:
 - Web browser no special software required!
 - SNMP (Simple Network Management Protocol) with HP OpenView plug-in available
 - EMP Monitor software utility (included)
- Allows easy monitoring of source status, power status, lamp status, and resolution input status
- Works with projector's built-in Ethernet connection
- Enables secure access via password protection feature
- Monitors all Epson network projectors
- Provides real-time status information and projector error detection
- Email notification via SMTP to alert issues related to temperature, fan and lamp

Renowned Epson service and support (free for the duration of the warranty)

- Comprehensive 2-year warranty
- 90-day bulb warranty for added dependability
- Epson Road Service Program provides a replacement projector, typically within 24 hours
- Epson PrivateLine[™] dedicated toll-free support line available from 6 a.m. to 6 p.m. PST Monday – Friday (Calls are answered live, typically in about a minute.)
- International warranty in over 45 countries
